CAMP BAGGAGE GUIDE

The arrival and departure of campers is a very important consideration. One key dimension is making sure that a camper's baggage arrives in advance. This process allows counselors the time to completely unpack each camper's belongings in the cabin, make their bed for the, and store their baggage for them until the end of the session. When campers arrive for the start of their session, they feel welcomed and ready to start having fun at Chestnut.

At Chestnut, we believe that it's important to give our families *options*. We know that families have various needs and priorities, and therefore we try to be as flexible as possible. At the same time, **we do make recommendations to families that are thoughtful, reliable, and aligned with Chestnut's commitment to service quality**. In that regard, you will see our recommended options for 2026 below.

These are the keys to the baggage process:

1. Parents can choose any method of baggage delivery/pick-up they like, but we recommend the following:
 - a. **Door-va-Door** (offering both centralized locations and door-to-door options)
 - b. **Ship Camps**
 - c. **In-Person Drop-Off/Pick-Up**
2. Please make sure to use this address for delivery:
 - a. **Chestnut Lake Camp | 326 Trails End Road, Beach Lake, PA 18405**
3. Baggage delivery/pick-up deadlines are as follows for 2026:
 - a. **First Session/Full Summer: Bags must arrive by June 22nd***
 - i. **If a family is attending Spring Fling on June 7th and would like to drop off a First Session/Full Summer camper's bags on that day, we allow it (must be discussed in advance with Caryn).*
 - b. **First Session: Bags must be picked up/shipped home by July 24th****
 - c. **Second Session: Bags must arrive by July 24th**
 - i. ***If a family is attending Visiting Day on July 25th and would like to drop off a Second Session camper's bags on that day/pick up a First Session camper's bags, we allow it (in person only).*
 - d. **Second Session/Full Summer: Bags must be picked up/shipped home by August 16th**
4. If your child will be attending **Discovery Camp**, their bags should come with them to camp and will NOT need to be shipped separately. In terms of the return of their bags, they will be picked up by parents on the last day of the Disco Camp program. We can accommodate this because they bring just one small bag.
5. Parents will choose the baggage solution that makes the most sense for them, but it is important that:
 - a. **The bags are labeled very clearly;**
 - b. **The bags are very durable;**
 - c. **The bags can be stored easily during the session at camp;**
 - d. **The bags should not be oversized (please try to use bags that – when filled with supplies – weigh less than 75 pounds, at most).** We recommend soft (but durable) bags, if possible.
6. Campers can always bring a backpack, hand-carriables, and other small items on the bus (or by car/flight). If you are looking for recommendations for baggage, you can search for options provided by [Everything Camper](#).
7. Please make sure that **ALL BAGS ARE MARKED WITH YOUR CHILD'S FULL NAME.**

Door-va-Door | [CLICK HERE](#)

This will be our third year working with Door-va-Door and its founder, Josh Romirowsky. Door-va-Door will pick up baggage at your home or will arrange for a centralized pick-up/drop-off location in many areas (for a lower price), deliver the bags to camp by the prescribed dates, and deliver the bags back to you within a few days of your child's departure from camp.

- **Door-va-Door charges a fee for 2 BAGS.** They strongly recommend using two bags rather than an oversized single bag (there are additional charges for bags over 65 pounds). If you will only be sending one bag, please consult with a member of the Chestnut team.
- **Chestnut has worked with Door-va-Door to negotiate the same fee for all families in the following US states: NY, NJ, CT, PA, DE, MD, DC, and VA.** Families in Florida or other areas may see higher rates due to distance and/or the limited numbers of families in their areas. Ship Camps | [CLICK HERE](#)

Ship Camps utilizes existing third-party shipping resources like FedEx and UPS and apply their logistical support to streamline the process for parents to ship baggage to and from camp. In most cases, Ship Camps fees will be less than arranging your shipment directly with FedEx or UPS. Here's how the system works: (1) **Schedule** your child's shipment online, (2) **print/attach shipping labels** and prepare your child's camp baggage, (3) **attach shipping labels**, and then (4) **ship** your child's camp baggage.

Ship Camps Service Fees	NY, NJ, CT, PA, DE, MD, DC, VA, MA, ME, NH, RI, VT & WV	Southeast & Midwest	West Coast
1 BAG (60 lb. weight limit)	\$399 Round-Trip for 2 BAGS (60 lb. per bag)	\$399 Round-Trip for 2 BAGS (60 lb. per bag)	\$399 Round-Trip for 2 BAGS (60 lb. per bag)
